

BINGHAM SERVICES INC.

CACY SAFFERY JOINS BINGHAM SERVICES INC AS ASSISTANT CHIEF OF OPERATIONS

FRANKLIN, TN (August 20, 2025) - Bingham Services Inc, the most comprehensive professional consulting company for the contents claims industry, announced Cacy Saffery has joined as Assistant Chief of Operations. Cacy brings over 30 years of experience in the insurance and restoration industry.

Cacy's impressive track record and solid reputation in the claims industry is just what BSI needs as we continue to expand the company. This new role combines his experience in building successful teams with his extensive claims background to better serve our clients.

- Mark Bingham, CEO/Founder

As Assistant Chief of Operations, Cacy will assist the COO in overseeing the daily operations and supervision of our Project Managers ensuring all operational processes are running smoothly. He will play a key role in the company's success by fostering a culture of continuous improvement where everyone can thrive and grow.

Prior to joining BSI, Cacy held both consulting and executive roles with Commercial Restoration Company (CRC) and RMC Group. Earlier in Cacy's career, he worked as a commercial large loss National General Adjuster at Amtrust. He holds the CPCU and AIC designations, which leverages his knowledge and expertise in claims management.

ABOUT BINGHAM SERVICES INC

After sustaining an incidental loss or experiencing a widespread catastrophic disaster, BSI provides contents inventory preparation and verification, claimed value appraisal, salvage recovery, logistics services, litigation support and dispute resolution services to public and private entities throughout North America and select overseas locations.

BSI provides unparalleled service while assisting our clients in realizing the best possible results. Our process ensures our client's customers have a smooth transition from post loss turmoil to an orderly experience while measuring the loss of their belongings or assets.
